Picnic in the Park

The neighborhood BBQ on August 2nd at the east retention pond was a great success! Thank you to everyone one who attended! About 34 people attended and luckily the weather cooperated and we had a nice cloud cover, no rain, and a breeze to keep us cool. Everyone brought their own chairs and we had tables for the food. Thank you to Clint Neff who was kind enough to wheel his grill down to the "park" and grill all the burgers and hot dogs for us. We had quite a spread with pasta salad, a watermelon fruit bowl, egg salad, veggie & relish trays, brownies, cupcakes, chips and much more. We had a water game, bubble making and side walk chalk for the kids. They all had so much fun, especially devouring 100 otter pops. Thanks to our planning committee who planned the food, games and fun - Jaime Neff, Jason Crownover, Debbie Slavinski and Tanya Goyette. We hope to make this an annual event. Next year will be even better!!

Tree Replacement

You may have noticed that we lost a few trees last year in the retention pond area. They will be replaced soon through the City of Westminster Tree Grant, which Jason Crownover worked diligently to get approved for Walnut Grove. Thank you Jason!!

Decreased Watering

The morning air is a little crisper and the foliage is beginning to change - Fall is near. It's time to cut back on watering and notice misdirected or broken sprinkler heads in the common areas. Please contact Colorado Management Company 303-433-2325 if you notice excessive watering, broken sprinkler heads or misdirected sprinkler heads in the retention ponds or common areas.

Electronic Newsletter

We are still in the process of collecting homeowner email addresses so that we can move to an electronic newsletter. This will make communication much quicker and more environmentally friendly. If you haven't already done so, please send me an email with your name and address to **amy.mann052@gmail.com**. Thank you!

Trash Cans

Please remember to store all trash cans out of sight of common areas. Also, trash cans maybe placed curbside after 6pm the day before scheduled pickup and must be properly restored by the evening of the pickup.
